Signature

Place	Date
Signature of authorised company signatory	Name in block letters

Information about the application

An application shall only be sent to Swedish Customs if the company does not already have an authorised administrator. The authorised administrator can add or remove users (authorised administrators included therein) and their access to services.

Information on processing of personal data

Swedish Customs is the data controller for processing the personal data in this application. It is also the body deciding the purposes of said processing. Supported by the Swedish act (2001:185) on the processing of personal data in Swedish Customs' operations, the personal data submitted in the application are received and processed electronically by Swedish Customs.

If you have any questions about this processing of personal data and would like more information, you can contact:

Tullverket
Box 12854
SE-112 98 Stockholm
Telephone: +46 771 520 520

¹ The authorised administrator can:

- allocate, monitor and withdraw the access rights of registered users,
- submit electronic service applications for the company,
- add or remove a user or an authorised administrator.
