# Information for the form “Information for the calculation of customs tariffs, and determination of debtor regarding the non-compliance in accordance of Article 79 of the customs code”, TV 711.6

"The form is used to report that goods have not been declared at customs office at the time of entry.

## 1. Attached documents

- Invoice: commercial invoice or pro-forma invoice.
- Shipping documents: shipping invoice or CMR stamped by the carrier/haulage contractor who conducted the haulage at the border.
- Information for decisions about customs tariffs: if there is no DNU, submit documentation for a decision on customs tariffs instead. The form TV718.1 may be used as support in determining what information should be submitted.

## 2. Customs ID

State the customs ID that would have been presented at the customs office, if such ID exists.

## 3. Carrier/Haulage contractor 1

State the name, address and EORI number/VAT number of the carrier/haulage contractor who conducted the haulage at the border.

## 4. Outsourcer of haulage

State the company name, address and telephone number of the person who booked the haulage.

## 5. Carrier/Haulage contractor 2

If the “carrier/haulage contractor 1” outsourced the commission to another party, that party is stated here. State the name, address and the EORI number/VAT number. If there are more than two carriers/haulage contractors, these are indicated below.

## 6. Information submitted on behalf of

Enter the company name, address and EORI number/VAT number, for the party on whose behalf the information is submitted, if other than that which is specified in point 7.

## 7. Information is provided by

Enter the company name, address, email address and telephone number of the informant or agent. Sign the form and enter your name in block letters.

## 8. Service note from the Customs Office

To be filled in by the customs officer.

### Carrier/Haulage contractor 3 at border crossing (if needed)
